Pick a role that fits your family — one game, a whole season, or leadership. Parents, community members, players and former players all serve, and almost any role can be shared as a rotation. Every volunteer agrees to the Statement of Faith and Code of Conduct. Game and team roles are open to ages 14 and up with a waiver; sign up per game. Roles marked ● are 18+ with a background check. Free NFHS courses (concussion, abuse prevention) and \$30 first aid training (Lexington Fire Dept.) are open to all. Two background-checked adults are always present with students. Want to watch your own child play? Take the earlier or later game. Kids can help with a parent's OK, and taking more than one role is welcome. Rides and chaperoning are arranged among families, not through RAHA. **Have an idea?** A new sport, extracurricular, or academic enrichment — you could lead it. Thank you to all who serve!

FOR A GAME, TEAM, OR SEASON Volleyball plays 2-3 games per event · basketball usually 1
